

Correction

 Script Python

```
1 def nbr_occurrences(chaine):
2     nb_occ = {}
3     for caractere in chaine:
4         if caractere in nb_occ:
5             nb_occ[caractere] += 1
6         else:
7             nb_occ[caractere] = 1
8     return nb_occ
```
