

Correction

 Script Python

```
1 def moyenne(liste_notes):
2     somme_notes = 0
3     somme_coeffs = 0
4     for devoir in liste_notes:
5         note = devoir[0]
6         coeff = devoir[1]
7         somme_notes += note * coeff
8         somme_coeffs += coeff
9     return somme_notes / somme_coeffs
```
